the second

The nighttime riots, violence, looting, protests, and destruction is that.

the analysis and questions

If the daytime is trained Marxists, the nighttime is “Your business -- you didn't build that. Somebody else made that happen. ... Therefore, end of business, store, your livelihood, and peace. No ... ___ no peace.”

“destruction of the means of Capitalism”

How does the first frame, structure, define, and contextualize the second? Its own?

How does the second frame, structure, define, and contextualize the first? The ensuing? Its own?

The second does not appear on the Black Lives Matter website. It is not talked about at all on the website.

occupy wall street

Occupy Wall Street was 2014-2015 (?). Occupy Wall Street was largely peaceable, of somewhat duration, it was of a type of the People, and it was standpoint.

the facts, statements, and ideals

the daytime

From the Now, We Transform video,

liberty, justice, freedom ... we have seen the repression ... defund the police ... we can't breathe ... take back the power ... revolution ... creative expression and creativity ... protest ... dance ... a tradition, a legacy ... change is coming ... Black Lives Matter ... in cities across the globe ... our voices ...

The nighttime

Targets customer, the individual of type ____, the musician, the store, the Patriot, the business, the state building, the police, ... and with no information shared. That is, there is no newsprint handed out. Perhaps the newsprint and theory is shared among the protesters, the marches, Black Lives Matter organization, the daytime, and in whatever form the nighttime.
